

ID Residential Resources by CSB area

This is an ever changing resource list that will hopefully be a useful tool in ID/DD client placement options. If there are resources you would like added or the information is incorrect or there is a change in information please notify us at info@swvaREACH.org. In this email please include, at minimum: the name of the organization, contact person if applicable, address, and phone number.

PLEASE NOTE: This is a resource compiled by REACH to assist teams. Inclusion on this list in no way indicates an endorsement from REACH.

*Denotes that this resource has at least one residential placement of 4 or less people
