**Pulaski Train Station**

**Members Present:**

Jennifer Boling, Megan, Emily Jennings, Jessie Woods, Katy-Student, Lynn, Anthony Akers, Rhonda Dean

Agenda approved by Pam, seconded by Lynn

Minutes approved.

No change in the financial report.

Discussion on the After-Prom coffee house, volunteers needed. Prom will be 8-11:30 at NRCC. Volunteers needed from 11:30-2:30. Prizes takes about 45 minutes. Close Coffee House at 2:45.

Drug take back April 28 from 10-2, at Food City in Pulaski, and Walmart in Fairlawn, CVS in Dublin.

Discussion on what to do if the pool party is to be held. Committee will meet and discuss what direction this activity will take. If grant money is used there has to be an educational component to the event. More discussion will follow after the committee meets. Have to focus on the mission of the pool party. Maybe focus on the children not the parents. Suggestion was to bring the YADAPP kids into the discussion. A full time person has been hired for youth component of the grant.

The summit in Atlanta was very good. Based on the interaction our Coalition is far ahead of others.

We will get information on the ACES program that focuses on what happens to kids not why and how what happens molded them. May have a presentation at our meeting in June from NRVCS.

April 25 REVBEB for diets. May 10-11 shine light on children with Mental Illness awareness.

Kat shared that she has to resign from the coalition to pursue other interest so she had to give up something and this coalition works very well. Stated she enjoyed her time. Coalition will have to fill the secretary role.

Next meeting will be at Train Station on May 2 at 11-12.

**Adjournment:** There being no other business, the meeting was adjourned. The next meeting will be May 2, 2018 at 11:00 – noon at the Pulaski Train Station.

Respectfully submitted by  
Kat McClinton Saunders, Secretary
